

A photograph of a man and a woman in formal attire, seen from behind. The man is in the foreground, wearing a dark suit and a white shirt. The woman is to his left, with blonde hair and wearing a dark dress. They are looking towards a crowd of people in the background, which is out of focus. A bright light source is visible in the upper left background. The entire image is framed by a thin gold border.

An aerial night view of a modern skyscraper in Downtown Dubai. The building features a distinctive facade with vertical white bands and a grid of windows, many of which are illuminated from within. At its base is a landscaped area with palm trees, walkways, and a curved structure with a checkered pattern. In the background, a large, brightly lit fountain is visible against a twilight sky. The surrounding area is filled with other tall buildings, creating a dense urban environment.
